## CHARDONNAY IGT

**Grape variety:** Chardonnay, IGT Colline Pescaresi 100%

**Soil type:** Average mixture, rich in microelements

**Cultivation:** Horizontal Trellis System

**Yield per Hectare:** 80 q/He

**Winemaking Technique:** Soft pressing of the grapes,

fermentation at a controlled temperature

**Wine features:** Straw-yellow in colour, intense and persistent bouquet with a scent of mulberry, due to the close proximity to trees. It has a well-defined and persistent aroma, a full body and fresh taste with an excellent balance of acidity.

**Alcohol content:** 12,5% vol.

**Bottling and packaging:** "Borgognotte storica extra", 6 horizontal bottles per box.
